Pianist Deacon Incharge

Fix your world by placing JESUS at the right place

A pastor was struggling to prepare his sermon and didn't want to be disturbed by his five year old daughter, so he removed a map of the world from his study, tore it into pieces and gave it to his daughter to assemble with the promise that he would answer all her questions and play with her when she was done. He knew she would never be able to fix it. To his amazement, in less than five minutes, she returned to him in his study with the map in perfect shape, every continent and every country in its place.

The surprised father asked, "Honey, you don't know anything about geography, so how did you fix the world so easily and quickly? The five year old girl smiled sweetly and replied, "The picture of JESUS was at the back of the map and I knew that if I have JESUS in the right place, the whole world would be in perfect shape." That was just the right inspiration he needed for his sermon. He thanked his daughter and prepared a powerful sermon on the subject - 'Fix your world by placing JESUS at the right place' Just place JESUS in his rightful place and your life will be in order.

Do you really understand this?

Spread it to the world, let them know that THEIR WORLD CANNOT BE FIXED WITHOUT JESUS. We all need Jesus!

When we put *God* first,
all other things
fall into their *proper place*.
