Dad, Son and the Car

While a man was polishing his new car, his 6 yr old son picked up a stone and scratched lines on the side of the car. In anger, the man took the child's hand and hit it many times, not realizing he was using a wrench. At the hospital, the child lost all his fingers due to multiple fractures. When the child saw his father.....with -- painful eyes he said, dad, sorry about your car, and asked, 'Dad when will my fingers grow back?' The man was so hurt and speechless; he went back to his car and kicked it a lot of times. Devastate-d by his own actions in front of the car he looked at the scratches; the child had written 'LOVE YOU DAD'. The similarity between Anger and Love, both have no limits. Things are to be used and people are to be loved. In today's world, People are used and things are loved.

Anger and love have no limits - Things are to be used and people are to be loved, but problem in today's world is that, People are used and things are loved.
